ISD Welcomes New Student Life Staff

Student Life is very proud to introduce our new fellow staff members to you!

Hillel Goldberg brings 20+ years of experience in the areas of student development and programming from Gallaudet University in Washington, D.C. He assumed the new role of Student Development Program Director within the Division of Student Life. His responsibilities include overseeing student development programs for all students during the after school hours. Student Life is excited to see programs for our students grow!

Erica Aguirre became the new secretary to the Dean of Boys, Matthew

Krueger. She is a student in Vincennes University American Sign Language Program.

Stephanie Jensen joined the Girls Residential Program as the secretary to the Dean of Girls, Yvonne Catt. Stephanie also is a student with Vincennes University American Sign Language Program.

In Willard Hall, there are three new staff members. Kristopher Burford hails from Ohio and works during the evening shift with 3rd grade boys. From Michigan, Cherlyn Gaynor joins the night shift working with 4th grade boys. A ISD graduate, Keri Watkins, works with 4th grade

boys during the evening shift.

Three Hoosiers joined to work in Raney Hall. They are Dawn Coffman, evening shift with 3rd & 4th grade girls. Jane Coghill works during the night shift with preschool, kindergarten and 1st grade girls. Lastly, but not the least, Teresa Washington works with the 4th and 5th grade girls during the evening shift.

When you have the chance, meet them and give them the "Hoosier" welcome!

Fashion Dos & Don'ts For Cold Weather

Winter is almost here!

Be sure to send plenty of warm clothes for your student to use here at school!! Plan for the unexpected by always wearing gloves, dry socks and shoes or boots when going out for the day. Also be sure to cover your head to prevent heat loss. It's always a good idea to layer your clothing so you can easily adjust your clothing to match to temperature! This time of the year it's always a good idea to be prepared for winter emergencies when going outdoors and especially away from campus, be sure to always take your winter outerwear (coat, hat, gloves, boots, etc.). Remember

weather conditions can and do change rapidly here in Indiana. Wind Chill is also an important factor to consider when deciding how to dress for the outdoors. Shorts and sandals should be worn inside only during the winter months. Don't forget also that it is still important when you're outside in winter to protect any exposed skin with sunscreen, moisturizers and protective eyewear and outerwear!! Enjoy the winter wonderland... it will be here before we know it!!

Fashion Dos and Don'ts for Cold Weather

Winter is almost here! Be sure to send plenty of warm clothes for your student to use here at school!! Plan for the unexpected by always wearing gloves, dry socks and shoes or boots when going out for the day. Also be sure to cover your head to prevent heat loss. It's always a good idea to layer your clothing so you can easily adjust your clothing to

match to temperature! This time of the year it's always a good idea to be prepared for winter emergencies when going outdoors and especially away from campus, be sure to always take your winter outerwear (coat, hat, gloves, boots, etc.). Remember weather conditions can and do change rapidly here in Indiana. Wind Chill is also

an important factor to consider when deciding how to dress for the outdoors. Shorts and sandals should be worn **inside only** during the winter months. Don't forget also that it is **still important** when you're outside in winter to protect any exposed skin with sunscreen, moisturizers and protective eyewear and outerwear! Enjoy the winter wonderland... it will be here before we know it!
